

TWI Certification Ltd, Granta Park, Great Abington,
Cambridge, CB21 6AL, United Kingdom

EC Certificate of Conformity

2400-CPR-20130002

in compliance with the *Regulation (EU) No 305/2011 of The European Parliament and of the council on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (the Construction Products Regulation or CPR, as later amended)* it has been stated that the construction product

Structural metallic construction members, finished metallic products welded or non-welded such as trusses, girders, columns, stairs, cut to size sections.

Placed on the market by:

*RJD Engineering Ltd
Hellaby Lane
Hellaby Industrial Estate
Rotherham
S66 8HN*

And produced in the factory(ies)

RJD Engineering Ltd

is submitted by the manufacturer to the initial type-testing of the product, a factory production control and to the further testing of samples taken at the factory in accordance with the prescribed test plan and that the notified body No. 2400 TWI Certification Ltd has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standard *EN 1090-1:2009+A1: 2011* were applied. The certificate was first issued on 19 August 2013 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.
